

OUR THREE COMMITMENTS

A commitment between two people builds trust so we have 3 important commitments in our practice.

COMMITMENT TO TREATMENT

Dental disease is nearly 100% preventable. We will deliver the best dental care that we are capable of delivering to you and ask that you care for your dental health on a daily basis using our recommended hygiene practices to the best of your ability. We understand that you likely want as little dentistry done in your lifetime as possible help yourself achieve that goal by following through with your dental plan.

COMMITMENT TO APPOINTMENT

An appointment scheduled in our office is a bond of trust that our team will be here to serve you and that you will be on time and prepared for your appointment. We request 2 business days' notice for any change to your scheduled appointments.

COMMITMENT TO FINANCIAL CONSIDERATIONS

We will deliver the best dental care that we are capable of delivering to help you attain your goals. We will present your recommended treatment including the fees and your portion. It is up to you to be prepared to pay for services on the day they are received.
